Bob -

Hi - per your request this morning and our project meeting this afternoon - I have an action item to summarize for you what has been completed with regards to the human study summaries and related document changes per the 25 January Project Plan.

I believe the minutes of the management meeting below cover most of this information.

In short, the following issues need to be followed-up on with the epi team as not yet complete (greater detail is given below):

(b) (5)

I will provide you with detailed comments/questions on the materials turned in to date

(b) (5)

Please let me know if you need additional information.
I appreciate your efforts to get this work accomplished.
Danielle
